

NEW WEB VIEWER

September 16, 2024

Littlebird is releasing a new Web Viewer App!

We're now releasing our Littlebird Metaverse Viewer and an [installable PWA](#) for Chrome browsers. The new App will enhance the user experience by providing a dedicated user interface and higher quality immersion starting with Janusweb version 1.5.50.

NEW MOBILE VIEWER IN DEVELOPMENT

by **Tester1 Littlebird**

We are working with leading edge community experts to produce exceptional mobile viewing capabilities for Residents of Littlebird!

The new mobile viewer is expected to be released by March 15, 2025.

[Read more on our website](#)

We are in the process of developing our new mobile web viewer for Chrome on mobile! Mobile devices will be able to connect with ease and experience optimized performance. Residents will be able to install the new mobile viewer starting with JanusWeb version 1.5.52. This will be an PWA install, just like the Desktop Viewer.
